

Announce New Fishing Schedule

HERMOSA BEACH.—Announcement of the new fall deep-sea fishing schedule was made yesterday by Capt. J. M. Anderson, skipper of the big Olympic fishing barge. Starting this Saturday the half-hour daily launch service to the Olympic will commence at 7 a. m. on week days and 6 a. m. on Sundays. The all-night hourly service on Saturday nights will be discontinued until next season. This is not expected to worry the dyed-in-the-wool night fishermen who will take the last boat at night, 3 p. m., and come ashore the following morning.

Safeway Meets Lumber Outfit Here Tonight

Local Boys Lose to Lucerne Creamery Last Friday Night

Lucerne Creamery proved to be too fast for the Safeway outfit when they defeated the local boys on the home grounds last Friday night by a heavy score. On request of Manager Glen Hamrick the exact figures are not quoted. The Safeway boys went on the field with a substitute pitcher and several other new men, so that their showing was as good as could be expected from a patched-up team.

Tonight the Safeway team will play the Patton-Binn Lumber Co. and expect to make a better showing. They have already taken one game from this outfit and hope to repeat tonight.

Admission to the games is free and all fans are invited to attend.

Double Header Is Played at Lomita

Lomita night ball fans were treated to a double header at the local park Tuesday night with the Masons winning 9-8 from the Veterans of Foreign Wars, and the Banning Park Kids defeating the Lomita Kids, 8 to 4.

Tuesday night's game ended the local league season. Next week the Kids will meet the Woodmen in a three-game series for the championship.

Hold Examination For Entrance To Nautical School

SACRAMENTO, (U.P.)—Yo Ho! for the life of a sailor. California boys who feel that way about it, will have an opportunity to realize their ambition September 16, according to an announcement by Vierling Kersey, state superintendent of public instruction.

At that time written examination will be conducted by the state for entrance to the California Nautical school. The examination will be given on a competitive basis in Los Angeles, San Francisco and Sacramento, California.

Approximately 40 vacancies a year are filled as a result of the examination and successful candidates will be admitted to the school about November 15, the announcement said.

At the present time approximately 112 young men are being trained for service as officers in the United States merchant marine, including 30 from Los Angeles county.

The nautical school was established by legislation enacted in 1929. The school is financed both by federal and state appropriation; the federal government having supplied a training ship and \$25,000 for its maintenance, the state providing the balance of the amount necessary for the operation of the school, an announcement said.

According to Kersey, a member of the board of directors, candidates for the school are subject to the following qualifications: They must be of good repute. Three letters, preferably from school officials or employers, must accompany application for admission.

They must be citizens of the United States and sons or legally appointed wards of legal residents of the state of California.

Upon admission to the school they must not be less than 17 years of age, nor on December 31 of the year in which they enter, must they be more than 21 years of age.

Applicants must be of normal size and weight, sound and robust in body, and free from physical defects.

The school is maintained aboard the U. S. S. California State, which, when not engaged in cruising, is moored at the shore base at Tiburon, Marin county, California.

All Stars Defeat Scorpions In Last Game Of Season

The Torrance All Stars won their final game of the season played last Sunday on the home grounds against the Redondo Scorpions. Torrance winds up the season with an almost unblemished record, having won nine out of the ten games played. Carl Paxman was the star hurler for the outfit, winning six games. John Kibbisch three, while K. Haslin was responsible for the All Stars' lone defeat.

Sunday's game was a walkaway for the home boys. Final score was 19 to 3. C. A. Paxman, manager of the All Stars, has a word of appreciation for the liberal support his boys have had during the summer from the Torrance fans. Very likely this outfit will be seen in action again later in the year, when the same brand of gilt-edged ball will be offered.

Glassell Park Nine Loses to Lomita

Davenport, pitching for the Lomita Merchants Sunday, fanned 10 men and yielded nine hits to Glassell Park players to set his team out in front by a score of 8 to 4.

Lomita scored one run in the first and one in the third when Glassell Park came up to tie the score. In the fifth Lomita forged ahead again and maintained their lead to the finish.

Score by innings: Glassell Park 002 000 011-4, Lomita Merchants 101 020 22x-8. Batteries—Tuthill and Kennedy; Davenport and Howe.

Bluebirds Lose Exhibition Game

Anaheim defeated Torrance, 6-1, in an exhibition game played at the Anaheim city park Friday night. Murphy had a patched up team in the field, with Morrell pitching, Weidner catching, Mervey Lower on first and Walter Wolfe at short. Prior to the game a baseball field meet was held in which Billy Weidner and Hal Foreney were prize winners for the Torrance outfit.

Lomita Girls Lose Out-of-town Game

The Lomita Girls team met defeat on their first trip away from home when they lost Tuesday night, 17-13, to the Bellflower girls. Lomita will play tomorrow night on the home grounds, with the Scouts team as their opponents.

SUNDAY GAME. Manager Ray Townsend of the Lomita Merchants announces a game with the Leach Chemical Co. next Sunday at the Lomita grounds.

Bruins Have 16 Lettermen For Fall Campaign

U. C. L.-A. Will Play Tough Schedule of Ten Games

LOS ANGELES, (U.P.)—University of California at Los Angeles, "baby" member of the Pacific Coast Conference, has no dearth of lettermen for its 1932 football campaign, but few of the returning '16 monogram wearers are veterans.

As a result, Coach William H. Spaulding is looking forward with none too much pleasure to a schedule which includes six tough games.

Besides the 16 lettermen, Spaulding has eight 1931 reserves, 20 recruits from the fresh squad, and two transfers. Only five of the lettermen are seniors, which assures the Bruins a good assortment of material a year hence, when they will meet their big brothers from Berkeley—University of California—for the first time.

Stars Missing. Particularly does Spaulding miss Capt. Norman Duncan, one of the coast's best fullbacks last year, and his sparkling pair of wingmen, Leonard Wellendorf and Dick Mulhaupt. Others who have hung up their cleats are Lloyd McMillan and Don Jacobson, tackles; John Duncan, guard; Howard Roberts and Charles Smith, halfbacks, and Aubrey Grossman, fullback.

Returning to the fold are Capt. Homer Oliver and Lee Coates, centers; Gordon Jones and Edward Austin, guards; Houghton Norfleet, Mike Dimas and Tom Rafferty, tackles; Bill Maxwell, Walter Stieckel and Fred Haslam, ends. Oliver Jones and Norfleet will be playing their third season as regulars.

In the backfield, Leonard Bergdahl and Edgar Haasler will be back fighting for the quarterback berth; Bob Decker, Bob Hendry and John Fletcher, seeking halfback posts, and Joe Keoble at fullback. Bergdahl and Decker are two-letter men.

Loss of his ends has caused Spaulding to shift his lineup considerably. Haslam and Walter Mulen, former freshman tackle, will probably be shifted to the wings to replace Wellendorf and Mulhaupt.

Outstanding new prospects up from the fresh squad include Verd Boyer, Clayton Yearick and Clarence Baldwin, guards; Harry Dillon, tackle; Arthur Piver, Sinclair Lott and Bob McChesney, ends; Mike Frankovich, quarter; Walter Clark and Cliff Lightner, halves, and Ransom Livesey, fullback.

The Bruins' schedule this year includes home games with California Aggies, Idaho, Caltech, Stanford, St. Mary's, Montana, Washington State and Washington, with trips to Oregon and Florida.

Diamond Jubilee Celebrated This Week at Anaheim

Anaheim celebrates its 75th birthday during the week of September 11 to 16, inclusive. The program as completed is one of great interest, commemorating the activities of the early German pioneers.

Friday is the big day, with the dedication of the North Gate to the Old Willow Walk around Anaheim in the seventies, the unveiling of the grist mill, used to grind the flour in 1875. This is followed by a basket dinner in the City Park, after which, in the outdoor theatre, John Steven McGroarty will address the citizens on the subject, "Southern California—Its Past, Its Future." Friday night two big features will be presented. Between Lemon and Los Angeles streets, on Center street, a strictly German program between the hours of 8:30 p. m. and 10:00 p. m. will be given. Clifton's band of Santa Ana will give an hour's concert from 7:30 p. m. to 8:30 p. m., followed by the Concordia Club, and Turnverein Society of Los Angeles. The German consul, Honorable Gustav A. Straube, and other prominent men will address the crowd.

On Friday night Anaheim and Riverside will play one of a series of seven games to decide the championship of Southern California. The game will be played in the City Park starting at 8 o'clock.

Crossing Gates To Be Tried Out As Experiment

Protection for school children at street crossings throughout the unincorporated areas of the county were assured today following an order made by the county board of supervisors that 50 men be given employment for this purpose. The men are to be paid 40 cents an hour, and work five days a week.

Archie R. Clifton, county superintendent of schools, is to decide where the 50 guards shall be placed, and will make his request through the county welfare department. The positions already have been filled, however, the supervisors said.

Last week the supervisors purchased five sets of manually operated school crossing gates, which will be given a trial. If they are satisfactory, more may be purchased at \$10 a crossing. These gates are operated by school children delegated for the purpose, hence there is no cost for operation.

FUNERAL SERVICES HELD Funeral services for the late Paul M. Rowley, Lomita fireman who committed suicide last Friday morning, were held Tuesday at the department and others of the Los Angeles city fire department at.

STREET LIGHTS OUT.—Mayor Klusman complained that many residents were calling him about street lights being dark in their neighborhoods. He asked that the inspector be cautioned about making regular inspections, three times a week. The city engineer reported that so-called "midnight lights" were turned off at 10:50 p. m. in an endeavor to save on the lighting bill, and suggested that some of the complaints might be caused by a misunderstanding of this procedure.
